MEMORANDUM FOR: Director of Data Processing

SUBJECT: Review of Automatic Data Processing

REFERENCE: Memorandum for EXCOM Members from D/ODP

(DDS&T-1252-80/1)

1. The reviews conducted during the past year on the Agency ADP efforts were very worthwhile. The improvements made in the process between the previous year (1979) and this year were significant. It is our opinion, therefore, that we should continue with these reviews in the current format with perhaps only a bit more attention paid to the critical issues associated with each of the projects briefed. (U)

2. If we can be of any more assistance on this, please let us know. (U)
